

CITY OF BENNINGTON  
JUNE 2019 NEWSLETTER

It is difficult to believe another school year has come and gone. Hopefully by the time you all get this newsletter, things will have started to dry out a little bit. It is pouring rain as I type this and has been for what seems like forever. If you notice your water bill is a couple dollars higher this month, it is because we were hopeful the rain would stop so the meters could be read. We waited a day longer and it is not stopping so the meters were estimated this month and an extra day will show on your bill. Hopefully we will not have to do that again this summer, but the way things are looking, it could be a very wet one around here.

\*\*\*\*\*ATTENTION\*\*\*\*\*

I have had several phone calls from residents asking for anyone who does yard work. I have not had anyone come forward until now. The city office was just informed of two different mowing services that are available in the area. TT Yard Work Services does mowing, grass over seeding and fertilizer spreading, bush trimming, most anything in the yard, they ask that you call 785-404-8732 and Cash or Checks are accepted. The second one is G and C Mowing. They do Mowing, Raking and weed eating. Call or text them to schedule service at 785-577-0199. The flyers are hanging on the door at the city office. If anyone else have services available and would like me to give your name out with the others, please call the city office and let me know.

~~~~ATTENTION~~~~

A new stop sign will be placed on the South West corner of Lexington and Stark. This is a two way stop at this time but will become a three way stop for the East bound traffic from the school on Lexington. Please be aware and keep an eye out for it! This will hopefully make the blind corner safer for Everyone!

Free Dumpster days were a success! The dumpsters were filled several times throughout the week! Thank you to everyone who followed the rules and put all items in the appropriate dumpsters. Dustin Murk, city operations, spent a lot of time cleaning up items dumped on the ground. Having pride in the city and the home you live in is important! The city of Bennington will continue to work hard to enforce the codes set forth by the City Council to make our town a great place to live.

~~~~~ATTENTION~~~~~

The 2019 Consumer Confidence Report (For calendar year 2018) is now available on the City's website. [www.cityofbennington.com](http://www.cityofbennington.com). Every water customer will be receiving a paper copy in the June water bill as well.

\*\*\*\*\*Yoga class opportunity\*\*\*\*\*

Have you ever had an interest in learning Yoga? Rachel Bieker, is interested in teaching a Yoga class in town and is wanting to find out if there would be enough interest from residents and perhaps friends of residents! If you would like to get your name on a list, please call Rachel at 785-829-7267 for Details. Thanks!!!!
