

CITY OF BENNINGTON  
NOVEMBER 2019 NEWSLETTER

Happy Fall! Summer is certainly over now! It is hard to believe that another holiday season is closely approaching us.

Thank you to everyone who took advantage of the free dumpster days! Many loads were hauled away!

Compliance in the city will continue focusing on residents taking care of rogue trees, weeds, leaves, long grass etc. Thank you to everyone who is working to improve their properties around town. We will continue to reach out to people when we see areas that need attention. Please remember to take your trash bags and any trash that may be in the leaves and limbs home to dispose of it. It would be terrible to be shut down by the state because of trash left at the site. Thank you for your cooperation.

A member of the fire auxiliary informed me they have an extra artificial tree at the fire station that they would like to give to someone who needs one. Let me know.
