

City of Bennington  
May 2020 Newsletter

The city council voted at the April 13<sup>th</sup> meeting to go ahead and have free dump days as originally planned since the county cancelled dump days for Ottawa county. The city is picking up the extra cost of this since county is not involved. We will also be accepting tires at the city shop. There will be a trailer to put them on. Please put your items in the appropriate dumpsters and not on the ground. As always, nothing with freon is allowed in the dumpsters. This dump day is for the residents of the City of Bennington ONLY.
