

City of Bennington
September 2020 Newsletter

It is hard to believe I am writing the September Newsletter already. Hope this finds everyone well and ready for fall!

The city will still be focusing on yards, weed's, and rogue tree's around town. Door tags will be delivered, and you will have ten days to complete the work. We will also be focusing on pets and getting them registered. A reminder that the city has a ban on pit bulls and Rottweilers. Dustin is going to be on the lookout for animals when he reads meters and we will be looking to see if that household is registered with the city and if rabies vaccinations are current and paperwork filed with us. I will be ordering new tags for 2021 very soon and after the 1st of January you may buy tags, you will have until March 1st to get it taken care of with no penalty. In February, we will have our annual pet clinic as usual. I will let everyone know when the date has been set.

*******ATTENTION*******

Bennington JR/Sr High School Service-Learning day is on Wednesday, October 21st. This service is for the elderly/disabled in our community. Please contact Kevin Turowski at the school 785-488-3321 or kturowski@usd240.org if you have any interest in students cleaning windows, yard clean up, minor painting (you supply materials) or other odd jobs. This service is for City of Bennington Residents Only. Students will not be allowed on ladders. You must contact Mr. Turowski on or before October 7th for consideration. Depending on the amount of interest, they may or may not be able to take all requests. Thank you!!!!
