

**CITY OF BENNINGTON  
October 2020 Newsletter**

**Happy Fall to everyone! There are already leaves turning in town. I have seen some of the most gorgeous trees around town! Soon we will all be raking and picking them all up but it sure is nice to enjoy them right now!**

**FALL DUMP DAYS ARE COMING!!!**

**The official dates for Dump days which are only for people living in the town of Bennington are going to be October 3<sup>rd</sup> through the 11<sup>th</sup>. Things are going to be a little different from this point on. The dumpsters are going to be located to the South of the recycling building on the way to the limb pile. The dump site will be open from 8:00 a.m. to Noon and 1:00 p.m. to 6:00 p.m. pm each day. The weekend will be staffed to make sure that only people living in Bennington are dumping. Dustin Murk will monitor the site during the weekdays. The area will be fenced off and there will be camera's monitoring the coming and going of all people. Make sure you put items in the correct dumpster and do not throw your items on the ground for others to clean up. NO TIRES will be accepted.**

**\*\*\*\*\*ATTENTION\*\*\*\*\***

**For your convenience, the council has purchased a heavy duty, waterproof drop box for water bill payments, building permits or other forms needing to be dropped off at the city office. It will be installed on the sidewalk in front of the city office very soon and will save many from having to come up the office steps to put**

payments in the door slot. As soon as you see it, feel free to use it!!!! Thanks!!!!
