

Bennington City Council  
Regular Meeting  
November 23, 2020

Regular meeting was brought to order at 7:00 p.m. with a motion by David Galvan, second by Brian Davidson. Motion Carried.

Additions to the agenda were Tank inspection results and ATV Feedback.

Motion by David Galvan, second by Brian Davidson to approve the minutes as written and the printed list of bills. Motion Carried.

Violations were discussed. Mike Burt still has not gotten the entire pile of debris removed on Lincoln street. There is a dumpster there, but not everything has been put in it. Adrienne Luthi will call Mike Burt tomorrow and see if he minds if Dustin Murk goes on the property and uses our grapple bucket to get the junk picked up.

Present at the meeting were Mayor Ward Stockamp, David Galvan, Brian Davidson, Judith Swagerty, Cord Gwennap, Dennis Kelley and city clerk Adrienne Luthi. Visitors were Laura Bowers, Robert Hagmeier, Lynn Hagmeier, and Neal Oliver-( Hagmeier's and Oliver left the meeting at 7:10 p.m.)

Robert Hagmeier addressed the council regarding his property at 108 N. Stark. Robert informed the council that he was told by Bruno Rehbein that the house would be in good shape if it was painted and the awning and old porch was removed. The porch and the awning have both been removed and they are planning on being done with the entire job by the end of December.

The Debris loader with a leaf trailer was discussed. Tabled until next meeting because Dustin Murk was not present.

ATV Feedback from other cities was discussed. No Action Taken.

Ward Stockamp discussed the results of the water tower inspection with the council.

Motion by David Galvan, second by Dennis Kelley to adjourn meeting at 7:34 p.m. Motion Carried.
