

**City of Bennington
December 2020 Newsletter**

The time is flying by! Christmas shopping is starting and before we know it, 2020 will be a distant memory. By the time you get this newsletter, Dustin will be hanging the Christmas lights in town. I love that time of year. We got a few more Christmas lights last year to add to our collection in the city! I will tell you another place that is really sprucing up for Christmas and that is Santa Fe in Salina! We went out to grab supper on Saturday night and wow, they are really making downtown look amazing with all the new business and the beautiful landscaping and lights all along the street. It is worth seeing if you happen to be out in the evening time! Hope everyone has a very MERRY CHRISTMAS!!!!

*******Santa is coming to town!!*******

Have you written your letter to Santa yet? If so, you can drop it in the special mailbox located at 607 Lincoln street and you will get a reply! PS, I hear that Santa is busy watching over the elves making all the toys, but there will be some occasions if you drive by after 7 p.m., that Santa or Mrs. Clause will be handing out candy! HO HO HO!! Merry Christmas to all!!!!!!!

*******ATTENTION*******

The city council voted at the November 9th meeting to reduce the minimum sewer charge by \$6.00 per month. This will be in effect on your December billing that you will be receiving soon.
