

**City of Bennington  
January 2021 Newsletter**

**Happy New Year!! Hope everyone had a Merry Christmas!!!!**

**At the December 14<sup>th</sup> city council meeting, the council voted to decrease the alley maintenance fund. It will now be \$3.00 per month on your monthly bill.**

**IMPORTANT INFORMATION!!**

**I will keep you informed on the future of our annual vet clinic. At this time, we can not schedule one due to a leave of absence of Dr. VanMeter. 2021 tags will be for sale after January 1<sup>st</sup>. March 1<sup>st</sup> will still be the deadline for getting your tags and making sure you have proof of rabies vaccination for your animals. Sunflower vet is still operating but only Dr. VanMeter does the vet clinics. You can still take your animals there for vaccinations if they are your vet choice. Animal tags are still \$3.00, and the fine is still \$1.00 per week after March 1<sup>st</sup>. Dustin has been making a list of all dogs he see's and I have been checking to see if they are registered. I have found that there are several animals in town who have never been registered. If you do not come in, you will be hearing from the city. All animals must be registered and have rabies vaccinations to live in the city limits. A citation with a \$50.00 fine and a court date will be written if the animals are not properly registered.**
