

CITY OF BENNINGTON FEBRUARY 2021 NEWSLETTER

*******ATTENTION*******

The annual vet clinic will be held on Saturday, February 20 from 9:00 AM to 11:30 AM at the city shop. There will be a couple changes. Dr. Wallace will be doing the vet clinic this year. Sorry about the inconvenience in the cold temperatures, but in the shop, there is extremely limited space so ONE person with their pet/pets will be allowed in the building at a time. Everyone will need to wait in their cars or outside the door until the person before you comes out. Masks are required in the building, so you will not be allowed in if you are not wearing a mask. Please bring COPIES we can keep of your proof of rabies vaccinations, there will be no printer available to make copies. Payments to the City of Bennington for tags must be separate from payments to Sunflower Veterinary. Plan on bringing correct change or separate checks are fine too. 2021 animal tags are \$3.00 each. The charges for services performed by Sunflower Veterinary Clinic are as follows:

Rabies- \$26.00

Parvo- \$22.00

Distemper- \$24.00

Feline parvo and distemper- \$30.00

Hope to see you there!!!!!!!

*******COVID-19 VACCINE INFORMATION*******

I have had many residents coming to the city office about the COVID-19 Vaccine and I have spoken to Sara Hodges, the Administrator of the Ottawa County Health Department. She gave me some great information for anyone who is interested in getting the vaccine. She said that currently, the health department is finishing up phase 1 which is health care workers and first responders. They are starting to move into phase 2 which will be persons aged 65+, congregate settings and high contact critical workers. The vaccine is being distributed to Ottawa County in small amounts at this time but should hopefully become more regular and in larger amounts in the coming weeks. When they
