

## JULY 2022 NEWSLETTER

\*\*\*\*\* Attention\*\*\*\*\*

For the last few years, Crystal Vancoevern has given her time to organize and put on the fun day and parade for Rodeo time. I would like to thank her for all of her hard work making it a wonderful event for the community. Crystal has decided to step down as fun day organizer for next year. Fun day is organized and put on by volunteers only and is not funded by the City of Bennington. Crystal took over when the fun day committee dissolved quite some time ago. I am announcing this to the community if anyone is interested in taking this over for next year. The notebooks with all the information are at the city office. If no one is interested in taking over, this will be the last year for the parade and fun day. Thank you!

The swimming pool is fixed and open! I know the kids are very excited to be able to have something fun to do! The new Spray Pad is also open, for everyone's enjoyment. I hope everyone has a great time!

If you have any building projects in mind, most require a building permit. You may print building permits on our website [www.cityofbennington.com](http://www.cityofbennington.com) or I have copies at the city office. Feel free to stop and get one. Jeff Scheele, the city's new zoning and compliance officer will look it over after you have filled it out and answer any questions you might have.
