

## November 2022 Newsletter

Happy Fall!!!

The animal tags for 2023 have been ordered. We will begin selling tags on Monday, January 2<sup>nd</sup>. March 1<sup>st</sup> is the deadline to avoid a one dollar per week fee added to your \$3.00 total. Dogs and Cats must have proof of rabies vaccinations presented to me when the tags are purchased. If your vaccination is still good, and you have already brought in any current vaccinations throughout the year, we should have it on file and a new copy will not be needed until it expires. We will also be having our annual vaccination clinic which will be announced in January. If you have any questions, please call the city office 488-3767.

The city office will be closed on Thanksgiving, November 24<sup>th</sup> and Friday November 25<sup>th</sup>.
