

City of Bennington

December 2022 Newsletter

The Spirit of Christmas is coming and 2023 is on the way.

The City is now accepting sealed bids for our 1971 Military Generator anyone interested in purchasing the generator needs to have their sealed bid turned in to the City office by December 22nd so the Council can review the bids at the last meeting of December. Questions about the generator please contact Dustin.

We also would like to hear from you! We will be repainting the city's water tower , if anyone would like to give their input on a color, please contact the city office or let a council member know!

Bennington Recycling Center is celebrating 30years of recycling! Come join us at our open house on December 10th from 1-3 pm at the Recycling Center contact the City office if you need directions to get there.

Santa Claus is Coming to Town!!

Have you written your letter to Santa yet? If so, you can drop it in the Special Delivery to the North Pole Mailbox located at 607 N Lincoln Street and you will get a reply! PS, I hear that Santa is busy watching over the elves making all the toys, but there will be some occasions if you drive by after 7pm., that Santa or Mrs. Claus will be handing out candy!

Speaking of Santa and Christmas don't forget

The Shop Til Ya Drop at the Firehouse on December 3rd Shopping 9am-1:00 pm and

SANTA will arrive on the Fire Truck at 10:00am till 11:00am and take pictures with the kids!!!

Wishing you all a very Merry Christmas and Happy New Year!!
