Happy New Year! Hope everyone had a Merry Christmas. The year was lightning fast for me, I hope this year slows down a little bit.

Thank you to everyone who came to our open house! It was very nice to see you all and I was so glad everyone loved our renovation here in the office.

The City of Bennington, Mayor Ward Stockamp, and the council would like to publicly thank Mrs. Judith Swagerty for all her years of service to many places in this community at one time or another throughout the years including the school, EMS, Fire department, Library, United Church of Bennington, and the City of Bennington as not only the City Clerk for many years, but also as a valued council member. We will miss you on the council Judith and thank you so much for your vast knowledge and willingness to always help in any way you can. I will still be calling you, just a warning.

The City of Bennington is still looking for someone to manage the swimming pool for the 2024 season. If you are interested or know someone who may be, please contact the city office at 785-488-3767. We cannot open the pool if we do not find a qualified person to manage it, so please spread the word. Thank you!
